THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D.C. 20505

National Intelligence Council

5 March 1982

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Parts I and II of NSSD 1-82

1. Attached is the current version of the first part of the draft National Security Strategy (NSSD 1-82). Tom Reed intends to send it to Santa Barbara this weekend to give the President a chance to look at it.

2. This version reflects comments from the participating agencies and is a good statement--although it doesn't attempt to come to grips with the tough choices. That, presumably, will occur in Part III.

3. I call your attention to the fact that four "implementing strategies" are identified in Part II:

- diplomatic
- informative
- economic
- military

"Intelligence" and "Covert Operations" are identified as "additional studies" to be undertaken later. This is a reasonable approach. You may want to discuss with Tom Reed next week how best to deal with these topics.

Chairman
